[Date of Assent: April 17, 1968]

BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Senate and the House of Representatives of Ceylon in this present Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the Tourist Development Act, No. 14 of 1968, and shall come into operation on such date as may be appointed by the Minister by Order published in the *Gazette* (in this Act referred to as the "appointed date").

Short title
and date of
operation.

PART I

COMPULSORY ACQUISITION OF LAND, VESTING OF
FORESHORE AND RESTHOUSES IN THE BOARD,
ALIENATION OF LAND, AND PROVISIONS
APPLICABLE TO LOANS

CHAPTER I

*Compulsory acquisition of land and the vesting of
Crown land for tourist development projects*

2. (1) Where the acquisition of any land is necessary so as to make it available to the Board for the purpose of any tourist development project, whether such project is to be carried out by the Board or by any other person under the general direction and control of the Board, and the Minister by Order published in the *Gazette* approves the proposed acquisition so as to make such land so available,—

Compulsory
acquisition
of land.

(a) the purpose of that project shall be deemed to be a public purpose, and such land may be acquired under the Land Acquisition Act for the purpose of that project, and may be subsequently vested in the Board in the manner provided by sub-section (2); and

Cap. 460.

(b) accordingly, no such Order, acquisition and subsequent vesting shall be deemed to have been, and to be, invalid by reason only of the fact that such land is subsequently alienated by the Board to any other person for the purpose of carrying out that project under and in accordance with the provisions of this Act.

Cap. 460.

(2) Where any land is, in pursuance of sub-section (1), acquired under the Land Acquisition Act so as to be made available to the Board for the purpose of any tourist development project, the acquiring officer of the district in which that land is situated shall, after possession of that land has been taken for and on behalf of Her Majesty, by a certificate issued under his hand, vest that land in the Board, subject to such conditions or restrictions, if any, as may be specified in the certificate.

(3) The expression "public corporation" in section 49A of the Land Acquisition Act shall be deemed to include the Board and that expression shall, for the purposes of that Act, be construed accordingly.

(4) Where any land in any area is, in pursuance of the provisions of this Part, acquired under the Land Acquisition Act for the purpose of being made available to the Board for any tourist development project, then, notwithstanding anything to the contrary in the Land Acquisition Act, in ascertaining the market value of the land for the purpose of determining the compensation payable in respect of that land, no account shall be taken of any benefit or increase in value which has accrued or of any expectation of any benefit or increase in value likely to accrue, directly or indirectly, from any work of development or any other operation carried out by the Board, the Government or any Resort Authority in pursuance of the provisions of this Act.

Special grant
or lease of
Crown land to
the Board.

3. Where the Minister certifies that any Crown land is required to be made available to the Board for the purpose of any tourist development project, whether such project is to be carried out by the Board or by any other person under the general direction and control of the Board,—

(a) the purpose of that project shall be deemed to be a purpose for which a special grant or a lease of such land may be made to the Board

under section 6 of the Crown Lands Ordinance, and accordingly, the provisions of that Ordinance shall apply to a special grant or lease of such land to the Board for the purpose of that project; and

Cap. 454.

- (b) accordingly, no such special grant or lease shall be deemed to have been, and to be, invalid, by reason only of the fact that such land is subsequently alienated to any other person for the purpose of that project under and in accordance with the provisions of this Act:

4. (1) Notwithstanding anything in the Crown Lands Ordinance or in any other written law, where the Minister certifies that any Crown land is required to be made available to the Board for the purpose of any tourist development project, whether such project is to be carried out by the Board or by any other person under the general direction and control of the Board, the Minister may, with the concurrence of the Minister to whom the subject or function of Crown lands has been assigned by the Prime Minister under section 46 (4) of the relevant Order in Council, by Order (hereafter in this Act referred to as a "vesting Order") published in the *Gazette*, vest such land in the Board, with effect from such date as shall be specified in the Order, subject to such restrictions or conditions, if any, as may be so specified.

Vesting of
Crown land
in the Board.

(2) A vesting Order shall have the effect of giving the Board absolute title to any land specified in the Order with effect from the date specified therein and free from all encumbrances.

(3) The vesting of any Crown land in the Board shall not be deemed to convey any right to any mineral, mineral product or mineral oil in, upon or under that land, unless otherwise expressly provided in the instrument of alienation and save as otherwise so expressly provided, any such mineral, mineral product and oil shall, notwithstanding any such vesting, be deemed to remain and shall remain the absolute property of the Crown.

5. Where any Crown land is, in pursuance of section 3 or section 4 to be vested in the Board, the Chairman of the Board may, if there is no plan of that land made by the Surveyor-General's Department, cause a survey and plan of that land to be made by a licensed surveyor approved by the Surveyor-General.

Chairman may
cause a survey
and plan to be
made of any
Crown land.

No compensation payable by the Board in respect of certain lands. Cap. 460.

6. Where any land is, in pursuance of section 2, compulsorily acquired under the Land Acquisition Act so as to be made available to the Board for the purpose of a tourist development project and is subsequently vested in the Board under this Act, no compensation or damages shall be payable by the Board to any other person for any loss incurred by him, whether directly or indirectly, or by way of business or otherwise, by reason only of the fact of such compulsory acquisition and subsequent vesting and, accordingly, such other person shall not be entitled to demand or receive such compensation or damages from the Board:

Provided, however, that nothing in the preceding provisions of this section shall be deemed or construed to prejudice or affect the right to compensation, to which any person interested in that land within the meaning of that Act is or was entitled, from the Crown or any other person under the provisions of that Act in respect of such compulsory acquisition of that land.

CHAPTER II

The Foreshore

Power to vest administration, &c., of any part of the foreshore in the Board.

7. (1) The Minister may, with the concurrence of the Minister to whom the subject or function of Crown lands has been assigned by the Prime Minister under section 46 (4) of the relevant Order in Council, by Order published in the *Gazette*, vest in the Board the administration, control, custody and management of any such part of the foreshore as shall be specified in the Order. Such Order shall come into force on the date of its publication in the *Gazette*, or on such later date as may be specified therein.

(2) For so long, and so long only, as any Order under sub-section (1) is for the time being in force in respect of any part of the foreshore, the administration, control, custody and management of that part of the foreshore shall vest in the Board instead of in the Crown, and accordingly section 58 of the Crown Lands Ordinance shall have effect in that part of the foreshore subject to the following modification, namely, as though the reference therein to the Crown were a reference to the Board.

Cap. 454.

8. (1) For so long, and so long only, as any Order under section 7 is for the time being in force in respect of any part of the foreshore, any other enactment shall have effect in that part of the foreshore, subject to the modification that it shall be lawful for the Board—

Special powers relating to any part of the foreshore in respect of which an Order under section 7 is for the time being in force.

(a) to make or issue for that part of the foreshore any subsidiary written law under any such other enactment; and

(b) to exercise, discharge or perform in that part of the foreshore all or any of the powers, functions or duties conferred or imposed on any authority or officer or person by any such other enactment,

in like manner as though references in any such other enactment to the authority, officer or person empowered to make or issue such subsidiary written law, or to exercise or discharge or perform such powers, functions or duties, include references to the Board.

(2) For so long, and so long only, as any Order under section 7 is for the time being in force in respect of any part of the foreshore, no authority or officer or person in whom any powers, functions or duties are conferred or imposed by any other enactment shall, within that part of the foreshore, exercise or discharge or perform any such powers, functions or duties except with the concurrence of the Board.

(3) Regulations may be made under this Act, with the concurrence of the Ministers to whom the subjects or functions of fisheries and local government have been assigned by the Prime Minister under section 46 (4) of the relevant Order in Council, for the protection of the rights of fishermen using any part of the foreshore in respect of which an Order under section 7 (1) is for the time being in force.

CHAPTER III

Resthouses

9. (1) Notwithstanding anything in any other enactment or any subsidiary written law, the Minister may, by Order published in the *Gazette*, vest any resthouse in the Board:

Vesting of resthouses in the Board.

Provided, however, that where the control of any resthouse is vested in any local authority, the Minister shall not make such Order in respect of

that resthouse, except with the prior concurrence of the Minister to whom the subject or function of local government has been assigned by the Prime Minister under section 46 (4) of the relevant Order in Council:

And provided further that where the control of any resthouse is not vested in any local authority, the Minister shall not make such Order in respect of such resthouse except with the prior concurrence of the Minister to whom the subject or function of Home Affairs has been assigned by the Prime Minister under section 46 (4) of the relevant Order in Council.

(2) Any Order made by the Minister under subsection (1) shall have the effect of giving the Board absolute title to the resthouse specified in the Order, including the land in or upon which such resthouse is situated, with effect from the date specified therein and free from all encumbrances.

Special provisions in the case of certain resthouses.

10. Where, on the day immediately prior to the date of the coming into operation of the principal Act, the control of any resthouse was vested in the former Director of the Government Tourist Bureau or the former Tourist Development Board, then, if an Order under section 9 is made by the Minister in respect of that resthouse, such Order, and the vesting effected by such Order, shall be deemed, for all purposes, to have taken effect on that date, and accordingly, the Board or any of its officers or servants shall be deemed to have had on or after that date, and to have, power and authority, on behalf of the Board,—

(a) to have taken, and to remain in, possession and custody of that resthouse;

(b) to have entered, and to enter, into contracts and agreements in respect thereof;

(c) to have issued, and to issue, instruments or documents by whatsoever name or designation called in respect thereof; and

(d) to have done, and to do, all such other acts or things as may have been, and may be necessary, in respect thereof.

CHAPTER IV

Alienation of land by the Board

11. (1) Without prejudice to the generality of the powers conferred on the Board by the principal Act, the Board may, with the approval of the Minister, alienate, for the purpose of any tourist development project, any land held by the Board, subject to—

Right of alienation of land held by the Board.

- (a) such conditions as are specified in the succeeding provisions of this Chapter; and
- (b) such further conditions as the Board may, in its absolute discretion, deem necessary to specify in the instrument of alienation, and in particular, but without prejudice to the generality of the foregoing provisions of this paragraph, a condition to the effect that the alienation effected by such instrument may be cancelled or determined in the event of a failure to comply with any other condition specified in such instrument, or in the event of any money due to the Board under such instrument remaining unpaid for any such period as may be specified therein.

(2) Nothing in the Crown Lands Ordinance shall affect, or be deemed or construed to affect, the alienation of any Crown land held by the Board for the purpose of any tourist development project.

Cap. 454.

(3) No land vested in the Board under the provisions of this Act or any other written law shall be alienated by the Board by way of gift save to a local authority or to any Government-sponsored board or corporation constituted under any law.

12. (1) It shall be a condition of every alienation, by way of sale, of any land by the Board under this Chapter—

Conditions of alienation of land by the Board.

- (a) that the vendee shall, at his own expense, carry out the provisions of any tourist development project for the time being in operation in respect of such land, and do all the necessary work and take all the necessary measures in, upon or in relation to such land or any structure thereon within the period specified by the Board in

the instrument of alienation, or such further period as the Board may thereafter specify, from time to time;

(b) that, in the event of the vendee failing to do so within the period or further period so specified, the sale effected by such instrument may be cancelled or determined by the Board; and

(c) that the vendee shall have no right to any timber in or upon such land, and accordingly, that such timber shall, notwithstanding such alienation by way of sale, be deemed to remain the property of the Board.

(2) It shall be a condition of every alienation, otherwise than by way of sale, of any land by the Board under this Chapter—

(a) that the alienee shall, at his own expense, carry out the provisions of any tourist development project for the time being in operation in respect of such land, and do all the necessary work and take all the necessary measures in, upon or in relation to such land or any structure thereon, within the period specified by the Board in the instrument of alienation, or such further period as the Board may thereafter specify, from time to time;

(b) that, in the event of the alienee failing to do so within the period or further period so specified, the alienation effected by such instrument may be cancelled or determined by the Board; and

(c) that the alienee shall have no right to any timber in or upon such land, and accordingly, that such timber shall, notwithstanding such alienation, remain the property of the Board.

Consequential provisions applicable in cases of alienation of land subject to a certain condition.
Cap. 464.

13. Where the Board alienates, by way of lease or permit, any land under this Chapter subject to the condition that, according as it may be specified in the instrument of alienation, all or any of the provisions of Chapters V to IX (both Chapters inclusive) of the Land Development Ordinance shall apply to that land in like manner and to the same extent as such provisions apply in the case of a protected holding under

that Ordinance, then, all or any of such provisions, according as it may be so specified, shall so apply; and for the purpose of such application, such instrument shall be deemed to be an alienation, such land shall be deemed to be a protected holding, the alienee shall be deemed to be the owner of that holding, and the Board shall be deemed to be the Government Agent and may exercise, discharge or perform in respect of such land or the alienee any power, duty or function vested in, imposed upon, or assigned to the Government Agent under that Ordinance.

14. (1) Where any land alienated by the Board by way of sale under this Chapter reverts in the Board under section 18, the Board shall not be liable to pay to the vendee, and the vendee shall not be entitled to demand from, or to be paid by, the Board—

No compensation payable to alienee on reversion of land in the Board.

- (a) the price at which the land was sold by the Board; or
- (b) the value of the land at the time of such reversion; or

- (d) the value of the goodwill of any trade, business or undertaking carried on in or upon such land; or
- (e) the value, as a going concern, of any such trade, or business or undertaking.

(2) Where any right, interest or benefit under any alienation of land, otherwise than by way of sale by the Board under this Chapter, reverts in the Board under section 18, the Board shall not be liable to pay to such alienee, and such alienee shall not be entitled to demand from, or to be paid by, the Board—

- (a) the value of such right, interest or benefit; or
- (b) the value of any improvements effected on such land by the alienee, whether or not for the purpose of carrying out the provisions of the tourist development project for the time being in operation in respect of that land; or

- (d) the value, as a going concern, of any such trade or business or undertaking.

15. (1) Where any land alienated by the Board, by way of sale, under this Chapter which is subject to a mortgage or encumbrance in favour of an approved credit agency entitled to notice under the second proviso to section 17, reverts in the Board under section 18, the Board shall pay to such approved credit agency, either—

- (a) the price at which the land was sold by the Board, or the value of the land at the time of such re-vesting, whichever is less, together with the value of any improvements effected thereon by the vendee for the purposes of the tourist development project for the time being in operation in respect of the land; or
- (b) the amount due on the mortgage or encumbrance in favour of such approved credit agency; whichever is less.

(2) Where any right, interest or benefit under any alienation of land, otherwise than by way of sale, by the Board under this Chapter is subject to any mortgage or encumbrance in favour of any approved credit agency entitled to notice under the second proviso to section 17 reverts in the Board under section 18, the Board shall pay to such approved credit agency the value of such right, interest or benefit together with the value of any improvements effected on such land by the alienee for the purpose of carrying out the provisions of the tourist development project for the time being in operation in respect of such land, or the amount due at the time of the cancellation or determination of such alienation, whichever is less.

(3) "Value", in relation to any land or improvements on such land, means, for the purposes of the preceding sub-sections, the value as assessed by the Chief Valuer of the Government.

In the assessment of such value none of the following facts shall be taken into account by such Chief Valuer:—

- (a) the goodwill of any trade, business or undertaking carried on in or upon such land; and
- (b) the fact that any such trade, business or undertaking was a going concern.

(4) No payment in respect of any improvements shall be made by the Board under sub-section (1) or sub-section (2), unless such improvements have been in conformity with the provisions of the tourist development project then in operation in respect of that land.

(5) No payment shall be made by the Board to any approved credit agency in respect of any land subject to any mortgage or encumbrance in favour of such agency, unless such agency discharges the mortgagor or encumbrancer, as the case may be, from the obligation arising on such mortgage or encumbrance to the extent of such payment.

16. It shall be lawful for the Board or any member thereof or any person acting under the authority of the Chairman of the Board to enter into or upon any land alienated by the Board under this Chapter for the purpose of ascertaining whether the provisions of any tourist development project for the time being in operation in respect of such land are being or have been carried out on such land, and to inspect such land or any structure thereon or any measures taken for that purpose:

Provided, however, that no person shall enter or inspect such land in pursuance of the power conferred by the preceding provisions of this section except with the consent of the alienee of such land or the occupier, or after giving such alienee or occupier not less than seven days' notice of the intention to do so.

17. Where the alienation of any land by the Board under this Chapter becomes liable to cancellation or determination by virtue of the operation of—

Cancellation or determination of instruments of alienation of land.

(b) any condition specified in the instrument of alienation to the effect that such alienation is liable to cancellation or determination in the event of a failure to comply with any other condition specified in such instrument, or in the event of any money due to the Board under such instrument remaining unpaid for any period specified in such instrument,

the Board may, by endorsement on such instrument, cancel such alienation, and thereupon such alienation shall be determined accordingly:

Provided, however, that no such endorsement shall be made on such instrument until the alienee of such land has been afforded an opportunity of showing cause against the proposed cancellation or determination:

And provided further that where such land is subject to any mortgage or encumbrance in favour of any approved credit agency, no such endorsement shall be made on such instrument until such agency has been given written notice of the proposed cancellation if, but only if, such agency had notified in writing to the Board the existence of such mortgage or encumbrance, and had also furnished the Board the name and address of such agency to which such notice may be given.

Cancellation or determination of instrument of alienation of land and ejection of occupants.

18. Where the instrument of alienation of any land is cancelled or determined by the Board under this Chapter, such land shall revert in the Board, and the provisions of sections 47 and 48 shall apply to the ejection of the occupants of such land.

No compensation or damages for loss incurred by reason of the cancellation or determination of any instrument of alienation of any land.

19. No alienee of any land or other person shall be entitled to any compensation or damages for any loss incurred by him, whether directly or indirectly, or by way of business or otherwise, by reason only of the cancellation or determination of the instrument of alienation of such land by the Board under this Chapter.

CHAPTER V

21. The appropriate authority may call upon any person to whom a loan has been or is granted by that authority to satisfy that authority that the loan has been or is being applied to the purpose for which it has been or is granted, and the person so called upon may adduce evidence before the appropriate authority or any officer authorized by that authority to take such evidence to prove that the loan has been or is being applied for such purpose.

22. (1) The appropriate authority may at any time, in the discretion of that authority and without assigning any reason therefor, by written order direct that, within the time specified in that behalf in the order,—

Power of appropriate authority to require additional security or recall loan.

(a) additional security for a loan granted by that authority be provided to the satisfaction of that authority, and

(b) a loan granted by that authority be repaid either in full or in part.

(2) Where an order issued under sub-section (1) in respect of a loan is not complied with within the time allowed therefor by the order, default shall be deemed to be made in respect of the whole of the unpaid portion of that loan and the interest due thereon up to date, and, where that loan was granted on the mortgage of any land, the provisions of sections 30 to 46 shall apply to and in relation to that loan.

23. The appropriate authority may, in lieu of the whole or any part of any security which that authority has already accepted for any loan, accept new security if the new security, either alone or together with any portion of the original security which is to remain, is sufficient for a new loan of an amount equal to the total of the principal and interest still outstanding on account of the original loan.

Change of security.

24. Every loan shall be repaid—

Mode of repayment of loans.

(a) by instalments specified by the appropriate authority, or

(b) in any other manner so specified.

26. Any notice which is required by or under this Chapter to be served on any person to whom section 25 applies shall be deemed to be duly served on that person if it is sent by post in a registered letter directed to that person at the address notified by him under that section, and the service shall be deemed to be effected at the time at which the letter would be delivered in the ordinary course of post.

Priority of
charge created
by loan made
by appropriate
authority.

27. Where a loan is granted by the appropriate authority on the mortgage of any land, that land shall on and after the date of the registration of such mortgage be charged with the payment of the loan with interest in priority to every other debt, mortgage or charge affecting it, except a debt which is secured by a mortgage duly registered prior to such date and which is due to a creditor who in good faith advanced the money before the loan was granted by the appropriate authority.

Form of
mortgage of
land.

28. No loan shall be granted by the appropriate authority on the mortgage of land alienated by the Board as security without the prior written consent of the Board, and every such mortgage executed in favour of such authority shall be substantially in such form as may be approved by the Board.

29. Where default is made in the payment of any sum due on any loan granted on the mortgage of land, whether that sum is due on account of principal or interest or of both, default shall be deemed to be made in respect of the whole of the unpaid portion of that loan and the interest due thereon.

Default of payment.

30. Where, under the provisions of this Chapter, default is made or is deemed to be made in respect of the whole of the unpaid portion of any loan and the interest due thereon, the appropriate authority may, with the prior written approval of the Board, take action as specified either in section 31 or in section 33; and where in any case the appropriate authority takes action or commences to take action in accordance with section 31, that authority may at any time thereafter take action in that case under section 33 if that authority deems it necessary to do so.

Action by appropriate authority where default is made.

31. Subject to the provisions of section 34, the appropriate authority may by order in writing authorize any person specified in the order to enter upon any land mortgaged to the appropriate authority as security for any loan in respect of which default has been made, to take possession of and to manage and maintain such land, and to exercise the same powers in the control and management of such land as might have been exercised by the mortgagor if he had not made default.

Appointment of manager to take possession of mortgaged land.

32. (1) Any person authorized by order of the appropriate authority under section 31 in respect of any land shall be entitled generally to take action in terms of the order, and in particular—

- (b) keep and render to the appropriate authority at such intervals as that authority may determine, clear and accurate records of all sums received or paid out by him in respect of such land; and
- (c) yield possession of such land to the mortgagor or some other person as directed by the appropriate authority and pay to that authority any balance of the income from such land remaining in his hands after the payments herein before authorized have been made.

(3) The appropriate authority shall, when all sums due to that authority under the mortgage have been fully paid, surrender possession of the mortgaged land to the mortgagor and return to him any balance remaining of the income from such land.

Authorization
of sale of
mortgaged land.

33. (1) Subject to the provisions of section 34, the appropriate authority may by order in writing authorize any person specified in the order to sell by public auction any land mortgaged to that authority as security for any loan in respect of which default has been made in order to recover the whole of the unpaid portion of such loan and the interest due thereon up to the date of sale, together with the moneys and costs recoverable under section 40.

(2) Where any land alienated by the Board is put up for sale under the provisions of sub-section (1), no person shall purchase any right, title or interest in such land except for the purpose of a tourist development project for the time being in operation in respect of that land.

(3) Where any land sold under the provisions of sub-section (1) is purchased by an approved credit agency, such agency shall, notwithstanding anything in any other law to the contrary, be entitled, with the approval of the Board, to carry out the provisions of the tourist development project, and accordingly the carrying out of such project shall be deemed, for all purposes, to be one of the purposes or objects of such agency.

34. (1) Save as otherwise provided in sub-section (2), the provisions of sections 31 and 33 shall apply in the case of any default notwithstanding that the borrower may have died or that any right, title or interest in the land mortgaged by the borrower as security for the loan may have passed by voluntary conveyance or by operation of law to any other person.

Where borrower
is dead.

(2) Where the borrower is dead and probate of his will or letters of administration to his estate have not been issued—

(a) the District Court of Colombo, or the District Court of the district in which the land mortgaged by the borrower as security for the loan is situate, may, upon application made in that behalf by the appropriate authority and after service of notice of the application on such persons, if any, as the Court may order, and if satisfied that the grant of probate or the issue of letters of administration is likely to be unduly delayed, appoint a person to represent the estate of the borrower for the purpose of this sub-section, and

(b) the provisions of sections 31 and 33 shall not apply in the case of any default made by the borrower unless and until a representative of his estate is appointed under this sub-section.

auction of
land mortgaged
to appropriate
authority.

35. Notice of every order under section 33 authorizing the sale of any land shall be published in the *Gazette* and in a daily newspaper in Sinhala, Tamil and English, and copies of such notice shall be served on the borrower, if he is alive, and on every person who has, in respect of that land, notified his address under section 25.

Notice of sale.

36. Notice of the date, time and place of every sale shall, not less than fourteen days before the date fixed for the sale, be published in the *Gazette* and copies of such notice shall—
